Client Servicing & Project Handling – Performance KRA

From: **Jyoti Sah**<jyoti.sah@webisdome.com>

Wed, Sep 2, 2026, 2:27 PM

To: vardhan.chippada@webisdome.com<vardhan.chippada@webisdome.com>,
Atharv Kumar<atharv.kumar@webisdome.com>

Client Servicing & Project Handling – Performance KRA

KRA Category	Key Metrics / Description	Performance Measurement / Expectation
Active Clients Handled	Total number of active clients/projects managed during the month	10–20+ active clients/projects , depending on portfolio
Client Retention	Number and % of existing clients successfully retained	90%+ client retention ; track total clients retained vs. clients due for renewal/continuation
Client Renewal	Existing clients who renewed or continued their services/projects	3–5+ renewals per month or as per assigned portfolio
Client Meetings	Virtual/in-person meetings conducted with existing and potential clients	15–25+ client meetings/month
Client Follow-Ups	Follow-ups for project progress, approvals, payments, renewals and requirements	100% active/pending clients followed up within defined timelines
Client Satisfaction	Client feedback, satisfaction, complaints and escalations	Maintain 90%+ positive client satisfaction with minimum avoidable escalations
Project Handling	Number of projects/accounts managed from requirement to delivery	10–20+ projects/month , based on project complexity
Project Delivery	Projects/tasks delivered within committed timelines	90–100% on-time delivery
Requirement Accuracy	Correct understanding and communication of client requirements	95%+ requirement accuracy with minimum rework
Quality of Deliverables	Quality check of deliverables before submission to client	95%+ quality/accuracy , minimizing client-side rejection and rework
Presales Support	Presales opportunities supported through requirement gathering, solution discussions, decks, estimates and proposals	3–5+ presales opportunities/month
Upselling – Existing Clients	Additional services sold to currently active clients	2–3+ upselling opportunities/month
Cross-Selling – Existing/Old	Additional services offered and converted for existing or previously served clients	2–3+ cross-sell opportunities/month

KRA Category	Key Metrics / Description	Performance Measurement / Expectation
Clients		
Revenue from Existing Clients	Revenue generated through upselling, cross-selling, renewals or additional projects	Track monthly revenue generated from existing/old clients separately from new business
Reactivation of Old Clients	Previously inactive/lost clients contacted and brought back into discussion	5–10+ old clients reactivated/month
Old Client Conversion	Reactivated/old clients converted into new projects or services	1–2+ conversions/month , depending on portfolio
Referral Generation	New business leads generated through existing clients	1–3+ qualified referrals/month
Client Expansion	Increase in services/projects/accounts within an existing client organization	Track number of clients where additional services/projects are added
Payment & Commercial Follow-up	Coordination for invoices, pending payments, renewals and commercial discussions	100% timely follow-up on assigned payment/commercial cases
Issue Resolution	Client complaints, concerns, delays and escalations handled	Resolve/escalate issues within defined TAT with proactive communication
Internal Coordination	Coordination with delivery, SEO, technology, design, content, marketing and BD teams	100% timely communication and task follow-up for assigned projects
Client Documentation	Maintaining requirements, meeting notes, approvals, trackers and communication history	100% updated client/project records
Reporting & MIS	Daily/weekly/monthly reporting of client status, projects, retention, renewals and opportunities	Reports submitted 100% within defined timelines
Client Relationship Development	Strengthening relationships with decision-makers and identifying future requirements	Maintain regular engagement with key stakeholders and identify potential opportunities
Initiative & Ownership	Proactive identification of client needs, risks and business opportunities	Demonstrates end-to-end ownership with minimum management intervention

Revenue & Existing Client Growth KPIs

For this role, I would specifically track these numbers separately:

Metric	Monthly KPI
Active Clients Managed	10–20+
Clients Retained	90%+
Client Renewals	3–5+
Client Meetings	15–25+
Presales Opportunities	3–5+

Metric	Monthly KPI
Upselling Opportunities	2–3+
Cross-Selling Opportunities	2–3+
Old Clients Reactivated	5–10+
Old Client Conversions	1–2+
Existing Client Referrals	1–3+
Additional Projects from Existing Clients	2–3+
Revenue from Existing Clients	Track separately
Project On-Time Delivery	90–100%
Client Satisfaction	90%+
Requirement/Deliverable Accuracy	95%+
Client/Project Tracker Accuracy	100%

BD Team – KRA / Performance Summary

From: **Jyoti Sah**<jyoti.sah@webisdom.com>

Wed, Sep 2, 2026, 2:21 PM

To: vardhan.chippada@webisdom.ai<vardhan.chippada@webisdom.ai>

Cc: Atharv Kumar<atharv.kumar@webisdom.com>

BD Team – KRA / Performance Summary

KRA Category	Key Metrics / Description	Performance Measurement / Expectation
Lead Generation	Total qualified leads generated through LinkedIn, email, cold calling, WhatsApp, referrals and other channels	10-15 BANT-qualified Indian leads + 5 international leads per month
BANT Qualification	Budget, Authority, Need and Timeline qualification of prospects	Ensure leads meet defined BANT criteria before moving them into the qualified pipeline
Client Meetings	Number of virtual/in-person meetings conducted with qualified prospects	Minimum 20–30 qualified client meetings per month , depending on lead quality and role
Lead Nurturing	Follow-ups, requirement understanding, proposal sharing and regular communication	Consistent follow-up with all active prospects; no qualified lead should remain unattended
Proposal & Quotation	Preparation and sharing of proposals, quotations, presentations and relevant service decks	Timely and customized proposals based on client requirements
Pipeline Management	Number and quality of active opportunities across different sales stages	Maintain a healthy pipeline with clear stage-wise status, next action and expected closure
Closures / Revenue	New business converted into confirmed clients and revenue generated	Achieve assigned monthly revenue/closure target with focus on quality and sustainable accounts
Client Engagement	Understanding client pain points, presenting solutions and maintaining relationships	Strong engagement with prospects and clients; demonstrate clear understanding of requirements
Conversion Rate	Conversion of qualified leads → meetings → proposals → closures	Improve conversion at every stage and maintain proper tracking of reasons for lost opportunities
Follow-Up Discipline	Timely follow-up after meetings, proposals, quotations and negotiations	Follow-ups should be planned and documented with clear next steps

KRA Category	Key Metrics / Description	Performance Measurement / Expectation
Communication & Pitching	Business communication, presentation skills, service pitching and objection handling	Clear, professional and solution-oriented communication with prospects
CRM / Tracker Management	Updating lead status, client details, meeting notes, follow-up dates and opportunity stages	100% accurate and timely update of BD tracker/CRM
Market Research	Identification of new industries, companies, decision-makers and business opportunities	Regular research to identify new prospects and potential business segments
Cross-Team Coordination	Coordination with delivery, technology, marketing and management teams	Ensure smooth requirement sharing, proposal preparation and client handover
Initiative & Ownership	Proactive prospecting, problem-solving and responsibility for assigned opportunities	Demonstrate ownership of the complete lead-to-closure process without excessive dependency
Reporting & Review	Daily/weekly reporting of leads, meetings, proposals, follow-ups and closures	Accurate and timely reporting with clear progress against assigned targets

Suggested BD Performance Weightage

KRA	Weightage
Lead Generation & BANT Qualification	15%
Client Meetings	10%
Lead Nurturing & Follow-ups	10%
Pipeline Management	10%
Proposal & Pitching	10%
Closures & Revenue Generation	25%
Client Engagement & Relationship Building	5%
CRM/Tracker & Reporting	5%
Communication & Presentation	5%
Initiative, Ownership & Coordination	5%
Total	100%
